### **Description:**

For 60 years we have been dedicated to the design and manufacture of street furniture, as well as the design and planning of public and private open spaces. Together with our partners in the field of playground equipment, fitness and sports equipment, skate and mini golf facilities, we are able to offer complete solutions. Our products and those of our partners stand for a high quality standard, functionality, longevity and vandalism resistance: CUSTOMIZED SOLUTIONS - we support you in the realisation of your projects IN CONNECTION WITH THE ENVIRONMENT, SOCIAL AND ECOECONOMY - "Build the best product, do the least harm to the environment, take social responsibility..." is our guiding principle SUSTAINABILITY - is not a label but our attitude
