Description:

Products for sign makers and visual communication produced in South Tyrol / Italy. We design and produce a wide range of products for professionals in corporate communication, advertising and presentation at our location in South Tyrol. Here you will find orientation systems, signs, plate fixings, brochure holders, crowd control and barrier systems as well as furnishing accessories for companies in the shop, showroom, shop window and office. Whether for indoor or outdoor use: here you will find clever solutions that are sustainable, regional and affordable.
